This is a great deal! The 135 has plenty of punch for the H/T user. This six channel unit has an on screen display and is very easy to set up. The remote is not user friendly at all. The great looks of the 135 makes up for that. It pushes my Acoustic research speakers well and is crisp and clear. It has plenty of inputs (more than I will ever use).

AVRs have channel mapping to deal with configuration differences between input audio streams and playback capability. You may for example use the AVR with just two speakers for living room sound while playing 7.1 channel Blu-ray content. AVR will then use its internal mapping to mix down the high input channel count to stereo.
