About FL Studio: It is rightly considered one of the best DAWs out there! I bought the Producer Edition, which covers exactly all my needs. It is considered one of the easiest DAWs to start with, but at the same time it can go really deep for experienced users. There are 4 editions (with different prices of course).

FL Studio Producer Edition 10 Review - FL Studio Review

Starting out today with something like FL Studio, you could easily become a natural with the technique. Even so, FL Studio still feels like a better fit for producing contemporary EDM and hip-hop.
