The Winter term of the Human Biology Core is dedicated to the study of cellular biology and human development.

3A begins with the cellular and molecular mechanisms that form the basis of human physiology and development, and then follows the development of a human being from conception to death.

Edgenuity vs E2020  
Answer Keys. E2020 recently changed its name to Edgenuity, however alot of the answers for subjects stayed the same. We still get alot of people confused about this so we wanted to clear it up here. Whenever we say e2020 answers we are also refering to answers for edgenuity quizzes and tests.
