The Seventh Edition includes new coverage of climate change, the influence of robots and artificial intelligence on workers, race relations in the Trump era, issues related to transgender identity and gender fluidity, sexual harassment in the workplace and the #MeToo movement, declining marriage rates, the impact of tracking for students at all academic achievement levels, smoking as an example of health and inequality in the US, gun violence and the student movement to control access to ...

Our Social World: Introduction to Sociology Seventh Edition

Our Social World: Introduction to Sociology inspires students to develop their sociological imaginations, to see the world and personal events from a new perspective, and to confront sociological issues on a day-to-day basis. Organized around the "Social World" model, a conceptual framework that demonstrates the relationships among individuals (the micro level); organizations, institutions, and subcultures (the meso level); and societies and global structures (the macro level), Jeanne H ...

Our Social World: Introduction to Sociology 7th Edition ...

Details about Introduction to Sociology: The Seventh Edition does not simply compare the United States to other countries, but shows students how global processes play out in their lives. Drawing on research from both macro and micro sociology, the author team shows how sociologists bring the two together to give a comprehensive picture of modern society.
