Mediating Faith: Faith Formation in a Trans-media Era ...

Faith is formed in education, in small groups, in fellowship time, in service projects, and in worship. In fact, worship is the most common and most attended faith formation experience a congregation does. It's not that your congregation isn't doing faith formation, it's a question as to whether it's being effective.

Mediating Faith: Faith Formation in a Trans-media Era by ...

Mediating in the Faith-based field is a delicate and sophisticated process that requires artistry to be carried on. The purpose is beyond helping the parties to understand better the nature of the conflict they are living in, or to find solutions and reach a settlement.

Understanding Faith-Based Mediation: A Multidimensional Model

Faith-based mediation will take on different meanings according to the mediator. The foundation of offering Faith-Based mediation must start with spirituality and not ones personal faith, yet allowing those entering into mediation know that their faith is honored in a scared space, allowing them to be heard without it being brushed aside.

Faith-Based Mediation: What is it and does it matter?

In Mediating Faith, Clint Schneckloth offers a program of faith formation in which new media and technology "are perceived not as guarantee of either utopian outcomes or dystopian destruction ...
