and practical techniques to teach you how to influence the people around you in an ethical way. Learn how to increase your presence, by knowing when to talk and when to listen; develop a strategy of success, by preparing, planning and crafting opportunities and make change happen by understanding what drives your audience.

A Practical Guide to Persuasion - Icon Books

Most people have to communicate with colleagues every day and persuade them to understand their opinions or to accept their views. This handbook is intended for anyone who is interested in such goal-oriented language. It extracts 300 persuasive tactics from research findings in communication, linguistics, pragmatics and related fields, and presents them in a clear, concise and consistent manner.
