The Doom Machine Mark Teague

Teague Rockets into Outer Space for Kids Published for ages 8-12, Mark Teague's Doom Machine novel is a Science Fiction outer-space story for all ages. I just loved this old-fashioned retro 1950's small town America story filled with humor, adventure, and science, accompanied with great black and white illustrations drawn by the author himself.

The Doom Machine by Mark Teague - Goodreads

the doom machine, by MARK TEAGUE was an interesting book for today's youth- as well as people, such as myself to pass the time away. It wasn't anything magical so I didn't give it a five star. But it was an interesting play on words.
