The Second Half Of Life

"The Second Half of Life" can be used for those of us in the iffy third, or even quarter tiny bit of life. I don't know if I have 10 or 20 years left of activity, or time to change my external options. But Angeles also encourages the reader to consider inward change, picking up old ideas and running with them.

The second half of life is about learning to recognize, honor, and love this voice and this indwelling Presence, which feels like your own voice too. All love is now one. [5] Gateway to Silence: “The privilege of a lifetime is to become who you truly are.” —C. G. Jung.

The Two Halves of Life — Center for Action and Contemplation

The Second Half of Life is an opportunity for transformation, for remaking meaning and purpose and for living with vitality. I can provide the keys to unlocking the potential of the second half that our culture does not see. This requires a different approach from the first half as the above quotes from Jung and Einstein imply.

Finding Meaning in the Second Half of Life: How to Finally ...

"Second half of life" is an expression that departs from ontological principles that do not reflect who we are as physical and social beings in the 21st century. It presupposes that we have a certain life span on this planet, that half way there we have a crisis, or that most of us have a grow-up spur at around the same age.
